

NOTES  
Northwest Regional School Business Administrators Group  
April 29, 2015

1. Presentation and discussion of detailed information on upcoming Healthcare Reform Act reporting requirements
2. Discussion of fraudulent unemployment claims file and districts being billed for the claims and told to pay. Possibility of an AG opinion being requested.
3. Discussion of Chickasaw session funds reduction due to decrease in state wide decrease in 16<sup>th</sup> section revenues
4. Discussion regarding how each school in area intended to handle days missed due to bad weather. (Most forgave student days and had staff make up their absences). Most plan to implement a policy allowing issuance of administrative leave for inclement weather days in the future.
5. Discussion of survey released by Commission on School Efficiency and the issues attempting to be addressed. (Employee updates to insurance, various uploads to MSIS)
6. Update on MAEP allocations, MDE legislative update dates
7. Discussion of new requirement that certified staff with 10 or more years of experience can now take personal leave on the day before or after a holiday in addition to the first or last day of school.
8. Decided to submit regional area salary scales to be compiled into one booklet for use by the group for comparisons.
9. Discussed MCAPS training and consensus that system would be a good change.
